Community Housing Network to host Bring it Home 2016

Troy, MI – Nonprofit Community Housing Network (CHN) will hold its 15th annual fundraiser, Bring it Home, 6-9:30 p.m. Thursday, October 13, at The Townsend Hotel, Birmingham. The annual signature event is an opportunity for donors to see the work their donations provide and meet those who benefit from their generosity.

The evening festivities include networking, an open bar, a sit-down dinner, the opportunity to bid on silent auction items, and more. This year’s focus is on the Critical Needs Fund, which helps conquer barriers not solved by traditional housing programs, such as security deposits, bus transportation to look for an apartment or simple furnishings and cleaning supplies for the new home. These barriers are often the only thing preventing a family or individual from securing successful, independent housing. 100% of the donations to this fund are used to provide for the unmet needs of the people served.

Bring it Home will also include the presentation of the sixth annual Emmett Jones Memorial Award to a program participant whose life was changed through one of CHN’s programs.

This year’s Leadership Sponsor is O’Brien Construction Company, Inc. and the President’s Circle sponsors are Maplewood Development and Flagstar Bank.

Tickets are $125, and sponsorship opportunities are still available at a number of levels. Contact Lisa Fuhr to purchase tickets or sponsorships at LFuhr@chninc.net or 248-824-7313. Additional information about the event and sponsorships is available on CHN’s website at https://communityhousingnetwork.org/support/bring-it-home-annual-fundraiser/.

Last year’s event raised more than $125,000, including $20,000 to benefit Adopt A Family 2015.
