

GUIDE TO GIVING

Steps to Achieve a Successful Donation Drive!

Opening Doors • Transforming Lives®

- 1 Choose to do a donation drive!** Ask people to help you organize and oversee your drive.
- 2 Pick a start date and an end date**
- 3 Decide where to hold your drive.** Set aside a secure place for all cash donations.
- 4 Set a goal!** Decide on what items you want to collect and how many donations you would like to have at the end of your drive.
- 5 Get creative!** Choose a theme. Keep in mind a way to raise cash donations, too.
- 6 Spread the word!** Create fliers, post on social media, send out an email blast, call your friends and family!
- 7 Decide how to transport** all donated items to CHN once you're finished with your drive!
- 8 Keep everyone informed** of the goal and progress on social media.
- 9 Customize your drive** by creating contests or having prizes for the people who donate the most.
- 10 Have fun!** CHN is here to help answer any questions you might have and to guide you along your donation drive.

Thank you for your interest in helping Community Housing Network create a sense of home for individuals and families moving from homelessness into housing. Collecting supplies and personal care items below will help new living spaces feel like a home.

Due to COVID-19 and staff working remotely, all donation drop-offs must be coordinated ahead of time through our Donor Relations Coordinator Alex.

Please find her contact information at the bottom of this page
