

# WELCOME HOME BASKETS

## SUGGESTED ITEMS

### MAKE AN IMPACT THIS HOLIDAY SEASON...

Community Housing Network's Holiday Giving Program will serve individuals and families new to our housing programs, many of them recently homeless. While these families now have a roof over their heads, many do not have money for basic necessities such as cleaning supplies and personal care items.

You can make a difference by donating Welcome Home Baskets which will be distributed to individuals and families new to our housing programs throughout the year.
